Hi Terry/Ted

I'm all for great savings. Here is the POC for Utah. When you and Ted have time, I need to brief you on 

The cc's are Sam Vance the project manager, Deb is our new supervisor.

Enjoy,

Subject White Mesa

Hi Bob - A lawyer for the US Park Service has radioactive waste to dispose . The White Mesa mill are willing to accept it at great savings to the Park Service . Can you give me the contact person at UDEQ that regulates the facility?

Also, looks like this means **b(5) Deliberative Process** FYI.

Thanks.
